

# No. 1 Aldgate, London

Client: Mount Row Properties  
Contractor: -  
Project Manager: -  
Structural Engineer: -  
Quantity Surveyor: -  
Contract Value: -

Project Completed: -

The two storey high walls are clad in backlit frosted glass to give an enhanced sense of space and subtle lighting effects. Contrasting with this is the wall and floor cladding in polished black Norwegian granite. The bridge at first floor level is a light and elegant structure of stainless steel and glass.
