

Bellows Road, Rotherham

Client: Rotherham Metropolitan Borough Council/ GMI
Contractor: N/A
Project Manager: N/A
Structural Engineer: N/A
Quantity Surveyor: Burnley Wilson Fish

Contract Value: £11,050 million

The redevelopment of this site offers a unique occasion to bring about significant change to the Rawmarsh community. It is a pivotal location which has for many years has been under utilised. We see this as an opportunity to transform the composition of Rawmarsh by redesigning and reinstating the heart of the community through the repositioning of its retailing and creation of strong public realm.

The redevelopment of this site offers a unique occasion to bring about significant change to the Rawmarsh community. It is a pivotal location which has for many years has been under utilised. We see this as an opportunity to transform the composition of Rawmarsh by redesigning and reinstating the heart of the community through the repositioning of its retailing and creation of strong public realm. In conjunction with this the provision of carefully conceived housing will boost the quality of the housing stock and provide family accommodation ideally suited for the people of Rawmarsh

We see this as an opportunity to transform the composition of Rawmarsh by redesigning and reinstating the heart of the community.
